

THE FAMILY CONNECTION

Romans 15:7

April 10, 2022

welcome!

Connecting Through Technology

The Audio/Visual team (the people that you seldom notice until something goes wrong!) is searching for volunteers to help manage our technology during the worship & Bible study services. This includes the soundboard, the computer, and the live streaming on Facebook and YouTube.

The soundboard is used to adjust volume, control feedback, and balance sound in the auditorium and on the live stream. The focus is on how the sound is presented to the audience and muting microphones that are not needed during various parts of the service. You also learn to set up and clean the microphones that are used in the audience and on stage.

The computer is used to present the announcements, scriptures, songs, and sermon slides on power point. As a volunteer, you will learn to load the sermon slides, appropriately advance the song and scripture slides, and pretest the remote control that Tim will be using.

The streaming platform is a new aspect of the sound booth (and not for the faint of heart). Volunteers will become familiar with our streaming software, Wirecast, which creates the live streams on Facebook and YouTube. You'll be taught to control how the feed looks and sounds to the online audience, paying close attention to the volume, camera placement and scenes through Wirecast. You will monitor live feedback from the viewers on Facebook, they are the first to let you know if there is an A/V problem.

Volunteers will be thoroughly trained, monitored and mentored in these aspects of A/V. It is important that the worship service runs smoothly so, we need well trained volunteers with troubleshooting skills.

These are important skills that are necessary for moving the Lord's church into the age of technology. Our live streams are an outreach ministry which not only keeps us connected with our shut-ins, but also helps to connect the lost of our community with our Savior, Jesus Christ.

If interested, you'll be invited to observe the operations of the sound booth. To volunteer please contact Zak, Kathleen, or Scott Otey.

Thank you for your heart and conviction for the Lord,
Zachary Dempsey, Youth Minister

Your Help Is Needed!

We are looking for teachers to help with the children's worship class. Children's Worship is offered for children ages 3 - 5 years old. Children remain with their parents until they are dismissed by the song leader after the communion service. During this worship time, children are given the opportunity to learn God's teachings in a fun-filled and nurturing atmosphere. Children are taught about Jesus through Bible stories, songs, crafts, worship, and fun activities. We hope to have enough volunteers so that each teacher will serve only one month each year. This is a fun and easy way to connect with our youth and a valuable way to serve our young families. If you are able to help please contact Diane Otey ASAP 239- .
