

THE FAMILY CONNECTION

Romans 15:7

May 30, 2021

welcome!

If you are visiting with us today, you are our honored guests. We are very happy you chose to worship with us this Lord's day. We hope your spirits are encouraged and you find us to be a friendly congregation who love God, His Word, each other, and YOU. We hope that you will visit again soon!

Things that Teachers Appreciate in Parents

Parents who attend Bible school regularly.

Parents who help their children attend regularly.

Parents who help their children be on time.

Parents who speak well of Bible classes, pointing out the good things; parents who "boost" rather than "criticize".

Parents who are fair minded, agreeable, and unselfishly helpful to the teacher.

Parents who appreciate the efforts of teachers to help their children.

Parents who are real partners with class teachers in the worlds' greatest work – that of teaching children to think, choose, act, and feel, as God would have them to think, choose, act, and feel.

Parents who take time to help their children understand their Bible lessons.

Parents who teach their children the proper attitude of worship, both in the classroom and in public worship.

Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up.

Deuteronomy 11:18-19 NIV

We are so grateful to God for our teachers. Let's do all we can to support them and encourage them EVERY chance we get. Teachers, we know you put in many hours of time in prayer, preparation, and teaching. May God increase your TRIBE!!
